Kitchen Sink features an eclectic mix of global and family influenced dishes, blending local ingredients with modern techniques. We like to put our spin on the classics, while pushing to create new ones. Farm to table isn't a catch phrase for us, it's a reality. We feature produce from our own family farm and work hard everyday to get as many ingredients from the beautiful Hudson Valley as we possibly can.

Located in the heart of Beacon, NY - The Kitchen Sink serves up that "feel-good food" in a cozy atmosphere - you feel as if you're eating in someone's home. Providing a mix of dishes allows for the chance to go night after night and get a totally unique taste experience!
