SARASOTA JUNGLE GARDENS

Reptiles, mammals & birds, oh my!

[HOME](#) [VISIT US](#) [ANIMALS & EXHIBITS](#) [PROGRAMS](#) [GET INVOLVED](#) [CONTACT US](#)

Welcome to Sarasota Jungle Gardens!

A tropical adventure awaits all who visit. One of the oldest continuously operated attractions in Florida established in 1939, Sarasota Jungle Gardens evokes memories of Florida days gone by. Full of flora, fauna and fun, yet it remains current and exciting for today's families, locals and tourists alike.

It is home to more than 150 native and exotic animals including birds of prey, different species of parrots and macaws, primates, small mammals, dozens of snakes, lizards, iguanas, alligators, crocodiles and other reptiles - many of them rescued or donated - including Florida's noted pink flamingos. All nestled within 10 acres of lush tropical landscaping connected by winding jungle trails.

Our new "Flamingo Cam," provides 24-hour viewing of the flock. The fascinating flamingos are a favorite among visitors who travel from all over the world to see the long-legged, pink-hued wading birds. The flamingos are not shy and often greet guests personally, sometimes face to face. Click on the image to the right to get a bird's eye view of our Caribbean flock in real time. You just might catch one of them splashing, flapping and strutting around. From this perspective you may also view guests' hand-feeding them or just strolling by. Sometimes the beauty and tranquility of the surroundings are the
